April 1, 2016 – Hey guys, Alpha 7.4 is coming to Patreon Creations in a moment! We spent more time on design and iteration. And we want you guys to tell us what you think. So please vote for it on Patreon (and write what you think of its design) and share it with your friends. Here are some of the things we noticed while working on Patreon Creations: 1) Evaluate the design and get the job done – We knew the design was a problem and many of you wrote that you had problems, but we were able to make it so good that it's not annoying! Now we need your opinion!
