Harvest Moon Boy And Girl Pc Download Game Harvest Moon Boy And Girl Pc Download Game Oct 8, 2011 Harvest Moon Boy And Girl Game - Nintendo 3DS Review. This is a fantastic platformer, that uses the 3DS's features well and is a great addition to the Virtual Console games. Boy and Girl have been waiting for ages for this Harvest Moon PC release, but we got a bit more than we hoped for. When Nintendo launched their Virtual Console back in 1999, many people saw this as a good move, allowing them to rent classic games like Metroid and Mario 64 for just a few bucks. The genre has been revived with Harvest Moon Boy and Girl - Life in the Sunshine. The game is the first in the series for Wii and PS2 and will be the first in the series on the Jun 14, 2013 For those who are unfamiliar with the Harvest Moon series, Boy and Girl are playable characters who hail from the village of Codename: Indianapolis.
