Great movie. Won't see Batman any time soon, but at least I know the Joker is still out there. There's a lot of things that I knew going in, but I thought the true ending might surprise me (that one twist in the end). 0.8.92665 11.10.2018 Fun film. 0.8.10258 10.10.2018 This seems like a very campy Hollywood version of the character. If you're looking for a graphic novel adaptation, I'd recommend the recent graphic novel/comic book adaptation of The Killing Joke which was a very faithful adaptation for a graphic novel. 0.8.92184 10.10.2018 I hope the Hindi dub was good. 0.8.99161 10.10.2018 Looks like it's safe for families. Unfortunately, it doesn't look like it's in great shape and it's a shame that the audio quality was so low. 0.8.92289 10.10.2018 It looks great and it's worth watching. What I'd recommend to anyone is the original Italian version with the great voice acting. 0.8.96548 10.10.2018 Looks good and well done, but you have to pay for it to see the subs. 0.8.92484 10.10.2018 Good fun with a few good humourous elements. 0.8.82897 10.10.2018 Good movie. 0.8.8886 10.10.2018 It looks fun, and even tho it is a bit predictable
