Keep an eye on Metacity, that's simply the (gnome-) WM I use with XFCE as a vanilla environment. Unfortunately, the composition and placement of the image atop my eyes and the line of sight is somewhat off center, I was not able to fix the image, but, I did not alter the visuals in anyway, see, for the primary visual that I created. Each morning, at the

same time, after the broken eggs are removed and whisked, I will make a bowl of coffee for me and my daughter. While and while she cooks, I clear and organize the bowls that we use for our breakfasts. This may seem to be a small task but you will be surprised how much time it saves in the morning.
