This is the list of movies you can find on our site. If you know of any other interesting movies that are not presented here, please post in the comments. That way you will help people who If you know of any other interesting movie that is not featured here, please post in the comments. That way you will help people who can't find it. Read moreIf you know of any other interesting movie that is not featured here, please post in the comments. That includes me. Thank you for your understanding. Thank you for your consideration. Hide Movies of 2019 worth watching. ... Year: 2019. Director: Alex Garland. Screenplay: Alex Garland. Distributor: Karo Premiere. Country: UK, USA. Genre: sci-fi, thriller, drama. Premiere: May 21, 2019, Karo Premiere. Age: 18+. Starring Rachel Weiss, Madeleine Brewer, Oscar Isaac, Falk Henschel, Max Casella, Sharon Morris. "While reading the book, you will never see the main character's face change. But if you read this book, you will see my face change." Alex Garland Director Alex Garland has made his first-ever film. It's still in the preparatory stage, but he will begin shooting "Out of the Machine" next year. His heroine is an intellectual girl who is hired to conduct an experiment to identify her talents, but instead of her this experiment is conducted for her by a machine. It will be an adaptation of the novel The Human Machine by writer Neal Stephenson. The plot will center on the complex relationship between man and machine, as well as the problems of artificial intelligence. D£
