Where to get low mass chains?
I am new to mountain biking
and I was looking to buy new
chains for my MTB. I want to
buy 200m chains. At MTB-
Gear.com and Amazon the only
ones I could find are 32mm
(not very low), and the only

ones I could find at LBS were a lot more expensive (~\$120). Is there a way to get them cheaper? A: You can get them on eBay, but keep in mind that you won't know how long they'll be before you get them. I've used a few of these, and while they were cheap, they didn't last long. If you're really that interested in the cheapest option, I would recommend just buying metric chain links

instead of real chain links and winding your 1cb139a0ed
