

prof. Dr. sugiyono, metode penelitian kuantitatif kualitatif dan r&d. intro (PDFDrive.com).pdf - Download free as PDF (.pdf) or read online for free. Currently, within the framework of this concept, the process of formation and development of a socio-economic system is being actively studied, which is a "continuum within which various aspects of the socio-economic development of society are integrated into each other." The social system is characterized as a complex social formation that cannot be described using classical socio-economic models that reflect only its individual elements.
