AutoCAD Crack + (April-2022)

As of November 2020, the latest version of AutoCAD is AutoCAD 2020. Main Features Since there are many different AutoCAD features, here's a quick overview of the most popular ones. Drawing Create, modify and place 2D geometric objects (geometric, text, image, line, point, polyline, polygon, arcs, ellipse, spline, dynamic, wire, shape, box, surface, volume, perspective, 3D view) on a 2D surface, such as paper. Lines and curves are typically drawn using the intersection of 3D objects and 2D surfaces. Geometric objects (including polylines, polygons, splines, surfaces, arcs, and ellipse) can be moved or resized by dragging and dropping them. Draw smooth and straight lines (sketching lines) using the Line Draw tool. Show the length, area, and other properties of lines and arcs. Edit and duplicate existing geometric objects (polyline, polygon, surface, box, volume, ellipse, surface) using the Select tool and the Modify tool. Open a file as a project or as a drawing. You can create a new drawing by clicking the New Project icon in the upper left corner of the window. Save projects and drawings. Placement Place 2D objects on a drawing surface. Create, move, delete, rotate, and resize 2D objects. Align multiple objects on a common reference point. Place geometry into drawing and design spaces. Map the 3D coordinate of a control point to a 2D surface. Move and resize objects by dragging them. Keyboard shortcuts can make drawing and placement operations faster. Control shapes using the Control Point tool. Draw and modify a surface's control points using the Control Point tool. Trace an object using the Tracing tool. Partition a drawing into design spaces using the Partitioning tool. Merge selected objects or design spaces into a single object or design space. Edit and modify multiple selected objects or design spaces. Customize lines using the Line Properties tool. Convert lines into curves using the Curve tool. Using the same tools, edit and modify a polyline's straightness (called lofting). A change in the loft
