construction of Freeport and provides a bleak post-fantasy world, where chaos reigns and only the strongest will survive. Players will undertake the duties of a builder while making their way through a mystery dungeon in the city. Game Features: ✓ Recruit, train and equip up to 6 Heroes of Freeport to journey through the dungeon. ✓ Build the dungeon as you explore and interact with it's inhabitants, coming face to face with dozens of deadly monsters. ✓ Fight against the forces of chaos, conquer and tame the dungeon to allow your army to grow. ✓ Choose one of the 6 different areas of the dungeon, dig your way through 11 different levels and discover new monsters, items and skills in the process. ✓ Progress in the game will have you explore different areas of the dungeon, unlocking different mechanics as the game progresses. ✓ The game has over 20 different bosses each with a unique and deadly attack pattern. ✓ An extensive item system, allowing you to build a team that fits the task at hand. ✓ Customize your characters with over 50 different hats and accessories ✓ Collect gold to unlock over 40 achievements ✓ Each Hero that you recruit will have their own weapon, armor, skill and character class. ✓ Join battle with your team, utilizing a unique 4 button controller

Developer's Notes Dark Tower of Freeport has been in development for over 3 years and has been extensively tested on both the PS4 and Xbox One. Alatyrr is a developer team based in Finland with a main focus on crafting replayable and randomized dynamic singleplayer interactive stories. We love the idea of interactive storytelling as it adds a much deeper and engaging experience, and it allows us to express the very core of the gaming industry in a much more personal and immersive way. Since the formation of the first Alatyrr member, in 2012, the team has grown and so has the scope of what we can do, into the realms of cooperative games and the visual novel genre. Alatyrr is an independent team and has been running independently since February 2015. Alatyrr is funded entirely by the sale of our first game, Dark Tower of Freeport. This is a free update for the PC version of Dark Tower of Freeport. With this update, we have c9d1549cdd

**|,|Darkened|,|Enchanted| or |Diminshed|? I'm afraid I disagree. You did say that it was already Partially Diminshed, but only slightly. As I understand the rules, this only entailed the color of the room automatically darkening to the darkest color in the room. As far as I know, once you rejected this you can't get the room back, but it stays darker than it was, even if it's still Partially Diminshed. \*This is another one that is tricky to explain...unfortunatly, I can't think of an easier way of explaining it. When you diminshed a room and the monsters**

**were about to attack you, they thought the room was Diminished...naturally they attack all the more while they're "informed", but all they do is jack up the attack bonus and attack rate for that turn. In other words, you'll still take damage while they're attacking, but they're still attacking with their full stat. It's just that the damage done to you will be less with each attack.**
