Arcane Studio is a leading games studio in Japan with notable titles such as the Yokai Watch series, Pandora Hearts, Growlanser series, and the Soul Sacrifice series. About ARCANE STUDIO Headquartered in Tokyo, Arcane Studio was established in February 2016 by four brothers who hail from Shizuoka, the same place where GungHo Online Entertainment was founded in 2004. Since then, the company has been striving to make a name for itself in the Japanese online game industry with original titles through its own in-house team as well as through the significant contributions of its outside development partners. Arcane Studio consists of approximately 100 employees across its two offices in Shizuoka. Its team boasts more than 150 years of combined experience in the industry. About GungHo Online Entertainment GungHo Online Entertainment Inc. is a leading publisher and developer of interactive content based in Japan. Known for its hit franchises that are

continuously breaking records around the world, GungHo is one of the fastest growing internet game companies in the world. The company's diversified content includes massively multiplayer online games (MMOs), social games and mobile games. Headquartered in Tokyo, GungHo Online Entertainment is now engaged in the development of innovative new games and collaborating with the world's most talented designers. For more information, visit the official website (<http://www.gungho.com>)
