The Tarnished Roses The Elden Ring is a covenant that has been proclaimed by the highest god of all the gods. However, its strength is down, the god of the Winter Holy Tree has laid his all for one who became a stargazer, a god above all gods, and claimed he would destroy the power of the Elden Ring. In order to end the war of the gods, the god of the Winter Holy Tree has needed to complete the ultimate act. Elden Lord, a being that is said to be part of the myth of the Dark Gods, is said to be the soul of an Archdruid who had accepted the power of the Winter Holy Tree. The god of the Winter Holy Tree has now gathered the allegiance of those who have been waiting for the birth of this savior. And, from now on, he will complete the act of the destruction of the covenant of the Elden Ring to become the god of all gods. The Dark Gods and the Tarnished Roses are born from the same myth. The Tarnished Roses, in order to realize the fact that they were born from the same myth, have forged a covenant in hopes that by causing the destruction of the Elden Ring the god of the Winter Holy Tree can become the god of all gods. It is a world of light and darkness, a world in which a land of twilight drifts. Full of the disunity of the world, the story begins with the "Twilight" called the Lands Between. Lands Between, The Tarnished Roses, Part 1 • From Idyll to Stargazer You are a pawn in a game between the gods of light and darkness, a game where the god of the Winter Holy Tree has prepared for the birth of the savior that would break the covenant of the Elden Ring. You become a stargazer and live with a human family in the lands between. The Lands Between, The Tarnished Roses, Part 2 • The True God and the Lost God The God of the Winter Holy Tree who becomes the savior is given a name of "Achilles" by the people who are gathered by the god of the Winter Holy Tree and his followers.
