## **What's new:**

**THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between.**

- **A Vast World Full of Excitement** A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
- **Create your Own Character** In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.
- **An Epic Drama Born from a Myth** A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
- **Unique Online Play that Loosely Connects You to Others** In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

**The class system of Mythos Chronicle is one of the parts that let this game stand out amongst so many others. Indeed, in a**

**fantasy RPG, it is very important to be able to choose exactly which classes and jobs you prefer to play the game with; this all... Write a review Your NameYour Email (Required)Review Your Review Origin / Campaign We have this game by EVE Online on our Vita. When I boot it up the first thing I notice is the interaction between the interface and the gameplay is a bit laggy. "Tarnished" has quick taps and nubs in places that I don't need quick taps and nubs, and when I tap a character in the menu, it's sometimes halfway through building something elsewhere on the grid. I like to take a look at the characters as they're being built, and sometimes when I tap someone, it'll just walk over to a build tile on the opposite edge of the grid. If I get to a dungeon and it tells me to wait for someone else to unlock certain areas of the dungeon because the leader is away on personal business... no, thanks, the option to wait on the item should be present as soon as I get to the dungeon, not**
