elden ring game (ELDR) is a Fantasy Action RPG project, which allows users to easily battle thousands of enemies during the adventure. Set in the Lands Between, an ancient city named Tarnished, and the Elden Ring, the story of this game begins in the midst of the fighting between light and darkness, and the separation of self and others. In the lands between, you'll experience the story of the ring, as one whose body has lost its way and whose heart has burned bright for all eternity. The equipment required to wield the power of the Elden Ring is separated into three segments, each of which possesses a soul that was previously lost, having previously been part of a body. The essence of these souls will be distilled and converted into power with the "Phantasmagoria" system, and it's up to you to obtain three Phantasmagoria, each of which will allow you to initiate an action. There are four classes to choose from as a character, and it is possible to develop them according to your play style. In addition, the "passive system" is employed in which you can use skills even when not actively using them, and the "narrow-casting system" is adopted, which allows you to make the characteristics of skills more refined. Online games can be played with up to 24 players asynchronously, so even when you're apart, you can get together to do battle. The player can freely connect the game, and can encounter a variety of people during their travels. Battle The battle system boasts a multitude of unique elements. First of all, the advanced "Phantasmagoria" system is employed, which allows the player to convert the "Creation" of their own Phantasmagoria, enabling you to obtain the power to execute specific skills. Creation Phantasmagoria can be created by utilizing creation (Phantasmagoria). Phantasmagoria are activated when the initial part of the Creation of Phantasmagoria is performed, allowing it to be accessed instantly. The quality of Phantasmagoria is determined by the Creation, and the quality of the Creation affects the Creation. At the start of battle, even after a Phantasmagoria is created, the quality of the Phantasmagoria is assigned to the attack of the player, so it can affect the
