- **FANTASY-WORLD SIMULATION** The game is set in a world full of unbelievable twists and turns. A massive world full of different situations and enemies, full of the variety of monsters and events that can be encountered in the real world. It is filled with great heroes and powerful monsters. You must grow from the adventurer's child, Tarnished, to become a powerful and legendary hero.
- **ASYNCHRONOUS MULTIPLAYER** Combining the fun of a role-playing game and the social experience of a multiplayer game, the game lets you play with others anywhere in the world. Each battle is asynchronous, meaning you can enter a battle while the competition is still in the middle. Unlike other asynchronous games, this game allows you to fight alongside multiple players as well as against a computer opponent.
- **COOL AND FUN GRAPHICS** Combine unique graphics and a lively atmosphere to fully immerse you in the fantasy world. Enjoy the detailed graphics, smooth animations, and vivid expressions that illustrate the deep story and powerful contents.
- **MULTIPLAYER FEATURES** Battle with friends in the same game or with other players. Enjoy the social experience of battling together and try out a whole host of different actions.
