The Tower of Swinging Blades The Tower of Swinging Blades is a war where eight Elden Lords battle each other to become the master and protector of the Lands Between. The Battles Begin Once every ten years, the eight Elden Lords gather to form a united army and meet in The Tower of Swinging Blades. From there, they start fighting each other. All battles are connected, and the winning Lord becomes the new master of the Lands Between. Elden Lords and NPCs Fight in a Historical Setting All Elden Lords and NPCs are strongly inspired by the legendary figures and myths from the Lands Between. BATTLE INSTRUCTIONS An image that can be used as a reference in the battle system. Battles in Wars of Scars, The Tower of Swinging Blades, and Destiny of the Elden Lords are all available as different levels. Elden Lords, Elden Lords, and NPCs are available depending on the level. Use the image as a reference when forming your party and combat strategies. Use the image to advance quickly through combat. High-resolution graphics ensure the visibility of details in combat, allowing you to witness the situations in The Tower of Swinging Blades and Destiny of the Elden Lords in great detail. The enemy moves at a speed corresponding to the level. The enemy moves slowly at the beginning of the battle, followed by an acceleration. The enemy moves very fast as the battle progresses. The enemy uses a unique attack pattern. Attack in succession by pressing the ATTACK button (default) to use a full set of skills. Press both ATTACK Ada ATTACK PASSIVE SKILLS The attacks active when you press ATTACK use passive skills consecutively. Use an unlockable passive skill after a passive skill activates. Press the ATTACK button again to use passive skills consecutively. Press the ATTACK (Skill) + (Skill) +

Features Key:

Character Generating System (CGS)
Numerous and infinite possible combinations
Completely Original and Deep System

Elaborate and interesting crafting system. Battle system depends on elements such as ATK and CP and combat skills. There are spells as well. There are even tactics to maximize abilities.

New and Explosive Content

A variety of contents such as quests, foes, and spells can be added upon request. Also, for all those who have become the master of nature, we have prepared a variety of weapon enhancement lines that will challenge the most-experienced artists.

Simple and Easy Visual Display

To prevent new users from asking how to fight, we have invented a setup system that automatically searches for optimal formations to satisfy your needs and strategy. This will also change based on the type of character you select. **Easy and Clear Instruction**

All you need to do is click a button or two. New and veteran players alike can play with ease.

▼Important Note

- This is an online game. If you have yet to purchase the game, we highly recommend it!
- 1.10 is available on 22 Cornetetto
