FUT is back with the most authentic FIFA experience to date - especially for those who enjoy building and managing the deepest possible Ultimate Team.

Experience a variety of game modes and enhance your FUT experience with some of the most celebrated players from all over the world. Experience more ways to develop your game with the most exciting individual and collective skills in FIFA. Gameplay Features Heads-Up Display – See the latest actions of your opponents, located in the same line of vision as your own players, using a new Heads-Up Display. It provides real-time information on your opponent’s last five actions, and will keep you up to date even when you’re not in possession of the ball. Player Impact Engine – The Player Impact Engine allows users to affect the pitch through direct actions such as dribbling, passing, shooting, and heading. With this technology, FIFA maintains the pace of the game while providing deeper interaction with the pitch. This feature is still in development but it will debut with FIFA on Xbox 360. New Edition Of Player Shape – FIFA’s Player Shape has been redesigned and reshaped to match new animations. The new Player Shape allows for much greater variety in the players movement, allowing for more creativity. A.I. Improvements – The A.I. has been improved to make sure that FIFA will run faster, smoother, and more efficiently with the capability of creating teams of a larger number of players. Facebook Campaign – The next FIFA experience comes to you on Facebook! Social media fans can now learn more about the hottest football stars in social media game mode and compare ratings with friends on Facebook. Commentation – Team and player commentators have been reimagined to bring even more presence to FIFA’s broadcast – as well as new commentary languages:

English, French, German, Spanish, and Italian. Olympic Delivery System – FIFA 21 introduces the ‘Olympic Delivery System’, the most extensive and complete platform for players to compete with, create teams, and manage their clubs as if it’s a real competition. It provides you with an in-depth experience that will keep you engaged with FIFA gameplay for a much longer period of time than ever before. What’s more, FIFA Ultimate Team receives an exclusive bonus; with all players coming out of retirement and players from the days of the very first FIFA.
