Challenge modes The “In the Mix” and “Mix Yourself” modes now include dynamic part-time matches, with random players and many match variables affecting gameplay. Create a perfect day, evening or night match, playing with or against players of your FIFA World Cup 2018 opponents, coaching your own team in the “In the Mix” mode, or just pull the EA SPORTS Cup card for an “EA SPORTS Party” mode. Nations and competitions The “Nations and Leagues” mode has been redesigned to focus on a single competition, with new mechanics, leagues and competition leaders, multiple cup competitions, and continuous player management. Each of the 180 competitions has been redesigned to offer a more dynamic experience. You’ll be able to view detailed leaderboards for continuous competition, with scores, goals, chances and both individual and team performance included. EA SPORTS added more than 200 competitions worldwide, including new formats for the premier competitions, such as the Audi FA Cup. New competition formats include: College League, Continental League, Premier League, UEFA Champions League, UEFA Europa League, UEFA Super Cup, UEFA U19 Cup, UEFA U21 Cup, UEFA Youth League, FIFA Confederations Cup, FIFA Club World Cup, FIFA Club World Cup Japan, FIFA Futsal World Cup, FIFA Futsal World Cup Japan, FIFA Nations League, FIFA Professional League, and FIFA Women’s Cup. Increased digital experience New licensing and content options have been added to FIFA Ultimate Team. This includes player and item cards from popular mobile games in China and Japan. Konami Master League players are now selectable on FIFA Ultimate Team for the first time, plus you’ll be able to acquire Konami licensed cards for players from the FIFA UCL final, UEFA Champions League final and UEFA Europa League final. Arcade mode has been revamped with new match types. Create matches on the fly in the new “FIFA 24/30 Rules,” and make use of new rules to adopt the “3v3,” or 3+3 formation, “3v2,” or 3+2 formation and “5v4,” or 5+4 formation. Multiplayer Real-life “Wall of Death” and “Cannon Mode” modes have been added to all online modes. By using these modes, you can now use the full

Live out your dreams as both a manager and a player in FIFA Ultimate Team. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro’s journey through the game. SOCIAL INTERACTION New interactive match action in FIFA Ultimate Team In FIFA Ultimate Team, you can now take part in a range of match scenarios to take the pressure off managers. These include celebrations on goals, interviews after matches and celebrations that are triggered when players score. New inspired celebrations FIFA’s players feel more powerful as they take on the world in the all-new Feeling Great celebration, as inspired by the sport of football. Players celebrate using items from the game, re-enacting the moments that built their legend in their career. With the added control of PlayStation Move, fans will feel the power of precision-strike headshots, bicycle kicks, and dribbles as they take part in a new way of video game football. A new Progress HUD, which includes a reel of completed player progression, enhances the experience. Brand new Commentary Thanks to the magical powers of PlayStation 3, you’ll hear new commentary provided by Wayne O’Neill and Martin Tyler from the 2012/13 season. Share the Journey FIFA 17 is the first console FIFA title to feature cross-platform online sharing of the game between PlayStation 3 and PlayStation 4, and a new Journey identity on both platforms. Players can now capture a unique and immersive first-person view of their FIFA game experience. Features include: Move alongside the ball as a live game action continues with no screen freeze. Replace the reticle of the ball with the player icon to follow the action wherever it leads. Use the touch screen to instantly switch to first-person mode. Take your best shot at goal using the PS Move motion sensor. Go for more goal attempts and win more out of possession dribbles. Test your agility for more assist opportunities. Experience the emotions of your teammates from any position. Interactive pitch markings, such as defensive lines and throw-ins, and new visual effects, bring a new intensity to the game.
