I decided to type up my review since I have been working on my open weave cardigan, which I created a couple of months ago. I have been very busy working on this sweater, especially since my father-in-law moved to Florida this summer and I needed to create a project with him before he left. I got the idea for the sweater from a pattern called "Love Stories" by Samantha Steely at Sewing and Stitching. I chose to make mine a bit longer, since I didn't like the length of the pattern. I also finished it up about a week ago and didn't have the time to get it photographed and typed up. I will share my progress on the blog soon. I started the sweater in September when my husband and I spent 3 days in Vegas with our family for a basketball game and wedding. The colors I used were "Caribbean Blue" and "Icarus." I chose these colors because they were in my stash of Moda yarn, but I had not used them before. I ended up using 4 e79caf774b
