A strong combat system is at the core of the game, where you will develop your character through an intense battle system where damage absorption and recovery are vital. > \* Challenging game experience > \* Various scenarios > \* Unique character development system > \* All online multiplayer features (1v1, 2v2, Team Battle, Ranked Battle, vs AI) > \* All multiplayer features can be played offline (1v1, 2v2, Team Battle, Ranked Battle, vs AI) > \* All offline multiplayer modes can be played with the original game client” > “The Elden Ring game now has the theme and online features of the first title.
