Features Key:

Exciting Action-RPG Battles with a Never-Ending Story

The game features dozens of game systems where you can fight against foes as an Elf/Dwarf and in battlefields to collect loot. Experience battles composed of multiple stages, in which you must defeat your opponent. Bring enemies down to zero using the strategies you have developed yourself using the various factors (experience, skills, magic) and even the characteristics of the opponents you are facing, such as their level, weapons, armor, and spell damage. Collect loot and increase your stats by defeating your enemies through puzzle-like quest battles. Gather all of the materials you need to continue fighting bosses after boss battles. There will be no moment where you can stand idle. In the midst of battle, the game continuously streams random systems, such as throwing rocks, exploding bombs, and various the effects such as shaking the ground, or making various objects fly with forces, and so on. After you fight, you will receive items such as vit points, capacity, or others. Train your skills and bring out the best performance by utilizing the various items you receive. Such random action-RPG battles, which come one after another, will never get boring.

Rich Environment Graphically Improved

The visual effects are further improved compared to the in-development Prowrestling, and the attractive combat scenes are displayed beautifully. A highly detailed world is what you can enjoy thanks to the advanced graphics, and it lets you experience deep immersion.

Fancy Roleplay and Varied Story Chapter

A story about the character's growth and expansion of their own powers has been finely tuned. On your journey, you will be able to experience the highly detailed story of various the Tales of the Lands Between, and you can create the unique character who you like.

Powerful Storyline with Various Cast Characters

Different characters will be involved, including those who have been portrayed by actors and are known for their roles in the series "Log Horizon", "Tales of Zestiria", "Tales of Berseria" and others. You can enjoy fully-voiced and good-looking NPCs in the

game.

New Elements-Skill Power Extensible New items enhance the existing system: Perform Actions gives you the ability to get out of difficulties or deal with some enemies, and has more setups and super actions. Each of your skills has been given
