Your goal: Use your thumbs to correctly answer all the questions in an instant. If you miss a question, a penalty shot will be taken. As the game progresses, more and more penalties are taken until you are officially defeated. Each new level of difficulty will require a different strategy; get enough points to move to the next level beat your previous personal best Do you think you’re ready for the challenge? Playscore and Gameplay features: Game Score: Shows how many correct answers you have given throughout the game Remain: This shows how much time is left Pit: This shows the score for the last strike taken and how many points you still have Playstats: Shows how many points you have earned throughout your game Playfield: A detailed breakdown of all your game statistics Saving game: Be sure to save your game before your data is erased! Song: The music you hear throughout the game. To give the player a realistic challenge, GammaVsPenguins doesn’t use conventional gameplay logic: One wrong shot and penalties will be taken against you No “right” answer: The correct answer isn’t

Her death sparked an international outpouring of grief and a \$500million (£350million) fundraising effort to pay for her funeral. Kajsa Ollongren, who runs the bank account for the Diana Princess of Wales Memorial Fund, said the former princess has been trying to contact her for the past few years. Mrs Ollongren is convinced that the late Diana once cashed a cheque for a sum of money her family had lost in a card game. The businessman claimed Diana contacted her in 2014 for cash to help with the costs of her funeral. The 61-year-old claimed that Diana, who died in 1997, asked for a payment of £4million. GETTY It is thought that the late Princess Diana died after suffering a severe seizure The Diana Princess of Wales Memorial Fund carries out charitable work and is overseen by the royal family. It was set up to "fulfil the wishes of Prince Charles and give future generations the chance to remember and
