There are approximately 480,000 state-licensed retailers who currently sell cannabis legally, and approximately 1,260,000 people in the U.S. who consume cannabis every day. Why do we have a federal government if they won’t respect our sovereign rights? As we learned so painfully last December, the federal government’s special needs can

I am considering to finalize this game as a mobile port but there might be some things missing, I've put it up here just in case: Tarnished Hunters is an upcoming fantasy action RPG for iOS and Android. It is the tale of Gildalin, an outcast, living in the distant lands of the Elden Ring between the Fields of Eternal Sunshine and the Fury Fields. The story revolves around his relationship with Bastian, and Gildalin's journey to become an Elden Lord and overcome the power of the ravenous Demons of the Plains of Pain and the Tarnished Raceway. Tarnished Hunters officially released on the 24 of August 2017. You can now download the game from the iOS App Store and Google Play Store. What do you think? Is this a nice game or not? Thanks! Cheers, Bunga - I can't wait to see what the future holds for Gildalin *Bunga* Last edited by Bunga on Fri Oct 21, 2017 2:02 am, edited 2 times in total.
