- 4 Skill points to invest between your first game and the final showdown - Each Skill point unlocks a new way to play - Each Skill point increases the number of spells available to you - Each spell has a unique effect and a unique set of rules - Every spell also has a cost, if not from an Action Card then from a Resource - You'll need to be more cunning and resourceful than your opponents. - The path to victory leads directly to the end of the world. - Accumulate as many Clocks as possible to gain ultimate power and unleash the ultimate spell! - The Last Clockwinder is an original and fast play-style tabletop board game with a lot of depth. From the creators of Dungeon Box, Chobits, and Coded Arms come a brand new social battle game! In light of the recent attacks, the government has instituted a tyrannical "All Evacuation Order" and forced everyone into the out-of-the-way "Frontier" district. You are a cowardly bureaucrat in charge of sheltering all the civilians in the district while the military is deployed at the front. In the end, however, you're only concerned with the safety of your district, and as such have no qualms about doing anything to get them out of danger… even if it means rolling the dice and sending them on an attack. Tasked with protecting the civilian populace, you soon find yourself facing many different forces including soldiers, robots, and mysterious monsters. Gather allies and learn new skills to stay alive as you encounter those who have abandoned you and those who aren't far behind. WipEout 2048 is a fast and frantic couch competition for 2-4 players. Use your space and time efficiently and avoid becoming a cockpit breadcrumb in a visually stunning, fresh take on racing! With ultra-cinematic visuals, intense soundscapes, and a radical new gameplay loop, WipEout 2048 is the definitive version of the classic series. Combine your abilities to execute a perfectly timed dive, nim, drift, or brakes and open up your chances to score a point, a fuel boost, and evade incoming attacks. Focused on the fast-paced nature of couch competition, players will need to get lucky to make a comeback against their opponents. "WipEout 2048" is a reinvention of the legendary W
