The statement announcing the suspension was just released, the Associated Press reports, and the implications for Mowins are massive. Even in this multi-faceted world, you are born into a single destiny: the hand you have is your privilege and your punishment, and the land you will rule is your birthright. Thus, we hope that this game will be a story about those who face this harsh reality boldly. With time, Gentlemen's Chronicle will let you polish your sword into a sharp and long scimitar, allowing you to become an ultimate hero, and a player that represents the national strength of the both the Elden Ring and the Key of the Highland.
