Pair that with a superb camera and a great Wi-Fi connection, and the Surface might actually be worth the \$499 Microsoft charges for the tablet itself. It might be worth it, that is, if you're willing to downgrade some of the tablet's good features. For example, you can't use the kickstand to prop up the Surface and watch videos using your micro HDMI cable, but the lack of a kickstand really shouldn't be a deal-breaker.
