CLOUD, Minn. (WCCO) – Police are investigating two suspicious packages that were found near the home of US Sen. Al Franken. The Minnesota State Patrol says they were called to his address in St. Louis Park at about 4:40 a.m. Friday, where two suspicious packages were found. “We had a person who was out delivering pizza and came over to the home and saw the two white pipe bombs inside the mailbox, so they notified us,” St. Louis Park Police Chief Ben Hoch. Hoch says the person noticed two packages inside the mailbox but took no other action because they believed they were from the homeowner. They were not, so the police arrived and discovered the bombs. “One of the bombs was detonated by law enforcement and did not detonate by itself. The other bomb was found intact and has been secured by the bomb squad,” Hoch said. It’s not clear if the bombs are linked to the senator, but a bomb squad was called to the scene. The officer who was delivering pizza discovered the bombs and called police. A federal official told WCCO the senator’s home is fine. The mail carrier did confirm that he saw two packages. He said he knocked on the home. No one answered. “He opened the door. He looked at me and then closed the door. I called the police immediately,” the mail carrier told WCCO. Related:
