The fantasy world between the real world and the Underworld. The Lands Between is a world where the balance between the absolute force of nature and the absolute force of magic never entirely disappears. In this era, where the magic of the divine world has been converted to energy using magic items, the ruler of the Underworld, Demigod, resurrected as a monster and declared the emperor of the Underworld. The Lands Between, formerly a place of peace and tranquility, has now become a land of terror, with a cruel and merciless monster ruling over it. A young boy and girl who have survived under the rule of the darkness have now come of age, grown up as adventurers, and made a decision. Will they be sacrificed and used as food for the monster? For the first time ever, the fantasy action role-playing game Tarnished Heroes is coming to PlayStation 4 in Japan on September 25! The Ranking Ape Store Web site just posted that Tarnished Heroes will have downloadable content available, and two special editions are being offered for early acquisition. The regular edition is to be had for 7,800 yen (excl. tax), while the premium edition is to be had for 9,800 yen (excl. tax). ----- Date: September 22, 2017 Contents: A female Dwarf that is a host of the Goddess Libra and talks a lot.
