Download.Q: Why is D3 getting crashed I  
am working with D3, I have written few  
lines of code to visualize using D3, My  
Coding is not correct.When I run the  
program it gets crashed, when i  
debugged the code, it is coming inside : I  
have tried several times, but i am not  
able to figure out the problem.Can  
anybody please tell me what the

problem is? Here is the code var

```
hida=d3.selectAll("#hi").append("div")
.classed('hyperlink', true).style("left", 0);
.append("div").classed('highlight', true)
.style("left",0); .append("div")
.classed('highlight', true).style("left", 0);
.append("div").classed('highlight', true)
.style("left", 0);
```

When i put debug, it shows in I am using Live Edit. A: From the code you posted it's impossible to tell. But it looks to me like you are missing `a.text('')`. If you are adding a 'hi' element then make sure it is inside of one of the elements you append. You have 5 divs with `class='highlight'`. For those 5 divs you are assigning

PLEASE NOTE: If you are attending this meeting, please be prepared to give the webinar on Monday, August 20, 2013.

We can make a live recording of the webinar available to those of you who cannot attend in person. Please note that there will be a test I purchased the

Operations Management Test Prep Package for college because of the written test. A friend recommended the book to me for the same reason, so I figured I'd give the book a try. Get to know Brian P. pages. This is the text that I used for my exam. It was somewhat useful, as I passed the written and took the practical exam without issue. I'm not sure how useful the book will be to someone for the first time, though. A little bit out of date for the practical exam. PDF BYTE is a Premium Bookstore for eBooks.
