As a previous poster stated, you can get it from the Microsoft Store ( But you can also download it from their site. On the one hand, there's no denying it: the OnePlus 6 is a gorgeous phone. In fact, it's so gorgeous that it's hard not to compare it directly to the Galaxy S9+ just for the sheer perfection of design. The OnePlus 6 takes this "gold" design language and runs with it, adding touches like dual-tone glass, 18-karat gold, and copper in the latest Colors as a more affordable option. With the S9+ over \$1000 and still sporting the same spec sheet as the Galaxy Note 8, the OnePlus 6 stands as one of the best-priced flagships to ever hit the market. But beauty is not only skin deep. At the end of the day, it's how a phone feels in your hand that matters most. OnePlus is well-known for making unique and innovative hardware, and the OnePlus 6 continues this c9d1549cdd

R.O.F.T.E.R "When you ask a serious question, I don't think you can play it frivolously." —V.O.I.D. R.O.F.T.E.R to the Void Sitting in the plush leather booth at Stall's Steakhouse—U.S. government funded by the Omnissiah out of the Gemini Trust Fund—V.O.I.D.R.O.F.T.E.R. (Void, Signed, Instrumented, Delivered, and Recalled) wiped the grease off the top of the tattered, yellowed bun, wadded it up, and spewed it across the counter. She then shoved the sour heap into the nostril of an obese middle-aged man eating a corned beef on rye sandwich. "Who the fuck are you, faggot? Where's my fare?" "Wouldn't worry about me!" she threw her head back and chortled, "I'm a bounty hunter and bounty hunters do not need to pay. You should have seen him, you'da pissed your pants." "You can't be trusted. You look—" The man put his napkin to his mouth "—worse than what you hunt!" "Yeah, well fuck you!" She shot the second man—an equally obese female—a dirty look. "I was being nice and introducing myself when you had the sudden attack of dyspepsia, punk!" "Don't call me that!" the man snapped, "I am not one of those unconcious red-blooded Americans like yourself!" "Then why should I bother introducing myself to you?" she giggled. "I'm Void, Void, Void! You know my name and you know what I hunt!" The ugly blonde man straightened. "I know who you should be hunting—a young girl named Natalia Dove. She was arrested a month ago for killing one of your supposed members. The words'supposed' and'supposed' are pretty damned important when speaking of you and your organization." The man reached inside his giant orange jacket and pulled out an image of Natalia Dove with a picture of Drake Brothers—the "leader"—on the collar of her coat. "Yeah, thanks for bringing me Natalia's picture," she said, scratching her chin, "

Lady Gaga has released an exclusive, limited-edition collaboration with Ariana Grande entitled ‘Rain on Me (with Ariana Grande)’. Download the amazing new song, and listen to the Ariana Grande vocals: “‘rain on me and feel my love rain down on me’”. Storyline: In this art and sound installation featuring the music of Lady Gaga and Ariana Grande, not only will you get to witness these two divas on stage with their talented collaborators but you will also have the opportunity to listen to the amazing music that was produced for the show! Through the use of the HTC Vive and Oculus Rift headset you will be able to immerse yourself in the surroundings of the performance and the unique audio-visual experience of the concert. Players can look around at everything happening around them during the performance and even look around the artists’ dressing rooms. All this will be possible thanks to the use of the Oculus Rift and the HTC Vive. You can also talk to Lady Gaga and Ariana Grande and get their view on the show as they explain to you about their live presentation. The scene was designed and produced by renowned German designer Sarah-Verena Pohle. The last time these two artists were on stage together was for their sold-out show in New York at Madison Square Garden, hence you can also hear some of the songs featured in that show! The show features a great variety of different musical instruments, including the Air Slot Machine, the Super Luge and the Super Splurge. Each ticket gives you access to two characters and two mini-games. The first game you will get to play is the famous Slot Machine game. There are ten levels, each one containing a sequence of cards, which you will have to rotate with the stylus to try to guess the combination! If you get it right, you will get to play the next level of the slot game. The second game will require some serious skill. You will get to play the Super Luge game. But beware: it is much more complicated than you think! The goal is to guess correctly the combination, like in the slot game, but you will also need to avoid hitting other luge cars, in order to reach the finish line at the end of the level. So, if you are the racer who can achieve this amazing feat, you’ll be rewarded with two new characters, in the shape of a lady
