The one who is aware of the Truth is the same as God. The one who has one's knowledge is the same as God. The one who is the master of knowledge is the same as God. (Sahaj Marg) The one who is the master of spiritual knowledge is the same as God. (Sahaj Marg) God has got no qualification nor age. God has got no position, nor elevation. There is no separation between God and servant. The creator is the one who has given the souls to human beings. The true soul is God. The soul is the body. The true soul is the body. Truth is made by the one who speaks

And there's already a Lite version of the app with all the same features. Tagging is awesome. Quickly capture and share your favorite photos. With the default gallery app, there's just not enough room to arrange them nicely. However, thanks to the power of the Android OS, you can easily run a little app in the background that will do this for you. Tags are just like Highlight Tag except they come from the list of tags on the photo, rather than the ones you've created on the photo itself. I like it otherwise! :) Thanks. Excellent app! If you want a minimal-systray client with it's own context menu, and lots of extra features, this is the app for you! This app is most definitely the successor to Icons8. New features are being added constantly and currently include: tabbed windows, floating windows, slideshow, preview/camera image, view image full res, 6d1f23a050
