Champakwan animals get a once in a lifetime opportunity to go on an exciting journey. Everyone was eager to know more about it. - So, it means that we are not going for a walk, but right on the ship to distant lands - asked the eldest of the sisters - Busa, wiping her tears from excitement with her sleeve. "Yes," nodded the captain. We are embarking on a journey with a lot of interesting things waiting for us. And what places do you know so that we can land there - Well, - little Busa hesitated.
-- We recently saw how the bunny fell into the sea
