Perfect for a light-duty backup with capabilities like

automatic backup creation, upload/download, and other tools for collaboration and remote backup access. Summary Perfect for a light-duty backup with capabilities like automatic backup creation, upload/download, and other tools for collaboration and remote backup access. Popular review by HowardG: I use it to back up my.p12 Keystore, which each time I update my iPhone 6S to iOS 12, I have to make a new Keystore by going through the whole key creation process again. Backupify is a great helper on c6a93da74d
