Uncharted is a series of adventure games created by Amy Hennig. The games are developed by Naughty Dog and published by Sony Interactive... There are many references to other games in the Uncharted games, which gave the authors the opportunity to develop their original world and idea. So, for example, in Uncharted 2 you can find references to the game Final Fantasy XIII and its characters, as well as to the role-playing game Final Fantasy X. In Uncharted 3 and 4, there is a reference to the game "Alone in the Dark" (the first level of the Uncharted game, the second map). There are references to The Punisher in Uncharted 2. References to The Last of Us can be found in Uncharted 3.
