History AutoCAD Activation Code was originally developed as a desktop application by a small group of designers from Holographics, Inc., a company founded in 1979 by Bill Gardner, David Tuerck, Scott B. Kollonoff, Mark Tompsett, and Tom R. Carter Jr. to develop a graphics system for the Apple II. They realized that, with the advent of microcomputers, the computing power to create sophisticated graphics and drawing programs was now available in desktop and laptop PCs. The name AutoCAD Crack Free Download (a contraction of Automated Computer-Aided Drafting) was coined by Dave Kniff
