Bob Underground Luxury Album Dow _TOP_

BoB presents his long-awaited third studio album Underground Luxury, foreshadowed by hits "We Still In This (feat. TI & Juicy J)", "HeadBand .. and "Bring It To The Culture". The album was called "The End Of Everything" (The End of Everything), which featured such artists as TI, Juicy J, Aly & Fila, Danny Howard, DJ Premier and Markus Schulz. The recording took place under the strict guidance of producer Chris Noonan (Moby, U2, M83). In support of the album, BoB is planning a European tour, as well as performances at the WMC Festival in Brazil (June), as part of the UK tour and at the Berlin Festival (Apartment Party).
