WORLD. Category: Action, Shooter, Role-playing games. Developer: Binkbink. Year of release: 2013. Release Date: 2011-04-25. Language: English (full English translation). Genre: Action, Shooter, RPG. Operating system: Microsoft Windows XP SP3, Vista, 7 Processor: Intel Pentium 4 1.8 Ghz or similar RAM: 1 Gb In the game, you will play as a young guy who is trying to avenge the death of his parents. The events that take place in this game take place in a city in Russia, where a gang is on the rampage, which is engaged in robbing drug dealers and killing

---

them. But as usual, these bandits, always leave traces behind, that show that they did this, and that is why police find these criminals, and they start catching them. You will play as one of the best detectives, and you will have to help the police in their investigations. To investigate a particular case, you will need to use all your skills and abilities that you have. And, of course, you will need to find the murderer of your parents. When you have been invited to investigate this case, you have to be ready to do whatever is required of you. In this mission you will have to do

---

everything possible to find the murderer of your parents. You will have to use all your knowledge, including your skills, in order to find the killer. You can use all your skills in order to make sure that your parents' murderer is found. When you investigate this case, you will have to find your parents' murderer. You will be able to find the murderer with the information that you have and also with the clues that will be given to you in this quest. You can play this game even if you haven't quite figured out the walkthrough yet, as you won't have to make many choices. All

---

you will have to do in this game is look for the killer who did this horrible thing. In this game you will have to gather complete information in order to find the maniac who killed your parents. In this game you won't have to sit idly, because you don't have much time. You will need to think, how to find out all the information and tell it to the policeman. You have to collect all the clues that can help you, before you are caught by the policeman, to whom you have to tell all the information about the murderer. In this game you will play as a detective who investigates

---

different cases. In this game, you will have to collect all the evidence and clues, then you will be able to find the murderer.
