## Grim Fandango Remastered (Patch 1.3.0) (GOG) CODEX ##BEST##

One of the most acclaimed adventure games of all time is now back, better than ever. Grim Fandangos epic story of four years in the life (or death) of Manny Calavera, travel agent to the dead, has been remastered to look, sound, and control even better than when it won GameSpots Game of the Year award upon its original launch. Grim Fandango still stands as a classic of the genre, with unforgettable characters and unique combination of film noir and Mexican folklore.
