2/8/2012 - it contains 5.1 million games, 66,000 of which have annotations from strong players. . This month, I'm reviewing four coaches and the new Mega Database 2012. In previous editions, I briefly described five types of players: strong players, average players, weak players, retired players, and old players. In this issue, we will look at each type of player from different angles. Strong players are usually considered the best players in a particular game. They are known for their speed, reaction, coordination, speed of thought, and speed of decision making. Their goal is to defeat all other players. If they win, they get a prize. dd2bc28256
