

. :cloud.com/stories/260986-charles-kublad-economia-ambiental-pdf-link". It also became known this year that free Wi-Fi will appear in the city this year: https://www.nytimes.com/2020/05/24/business/nytimes-business-network-city-hacker-free-wi-fi.html In this regard, it is worth paying attention to the fact that some cities in the US decided to refuse free Wi-Fi, and in many US cities there was no Wi-Fi at all.
