Once you begin playing Echidna Wars DX, you will find that the gameplay does seem to be fine. However, once the gameplay begins, it really does seem to go on and on and on. I started to feel a bit nauseous at some point while playing the gameplay. I don't recall if this is actually a time period where the game has, for some reason, stopped responding to inputs, but I was struggling to keep myself from placing the phone in my pocket simply because the gameplay was not going anywhere. Echidna Wars DX is aimed at a younger crowd and those who are familiar with the title will notice a lot of similarities. Those who are prepared for action/strategy will find the game a lot of fun, and the gameplay is excellent. Echidna Wars DX is one of the most interesting and difficult beat 'em up games I've ever played, and the unique gameplay is so addictive. There is always something new to learn and find out about this game, and the gameplay will keep you entertained for hours on end. The gameplay is pretty damn fun, and you'll enjoy playing it. Echidna Wars DX is not only one of the best titles in the new genre, but also one of the best beat 'em ups I've played in a long time. The gameplay is so addicting, and you'll keep playing it until you've beat the boss. 5ec8ef588b
