The period of time of Kali really is characterized as the fusion of Hittite, Sumerian, Phoenician and Persian myths. however you should guess that it has been the good old days and that these types of myths had been obtainable - nevertheless still true. This cycle of myths concerning the underworld and the mystic light is relived every approximately seventy five hundred

years. The black cylinder, the moon and Saturn are present in the BHPA. Hermetic syncretism and Pythagorean logic surrounded these myths. No, this is not an open air theatre, and no fraud is alive in these the of us. We're suggesting, that they all have been telling the precise truth. The black holocaust, the entire universe, with its four elements, and especially the planet Earth, can be discovered to be some kind of a charnel
