From the makers of MADAGASCAR comes a hilarious new movie that proves what global espionage is for. Directed by Duncan Jones, Jurassic World is a sequel to the 1995 Jurassic Park story. But how does a Michael Crichton film resemble Ridley Scott's Jurassic Park 3? At the film's premiere in Los Angeles, California, filmmaker Duncan Jones

They're cute.they're nice.they're back! From the creators of MADAGASCAR comes a fun new product. I don't know about you, but I just love these guys. When they first appeared on the screens, I was just delighted. I've watched all their films and was ready to watch more than once! And now, after a while, I wanted to look at them from the other side. See them from their own perspective. And I wasn't disappointed at all. After all, they have not changed as much as it

could be. So, in this film, they appear before us  
in the form of ... musicians. Well, that's good too.  
But not much. Not really at all. dd2bc28256
