System Requirements For Contacts Express:

The following is a list of minimum system requirements that must be met before you can run the game. This list is subject to change without notice. NOTE: We are currently trying to get Steam to install on Windows 10 for it to work on every computer. Steam will not work on 32-bit operating systems and 64-bit operating systems. These systems need to be upgraded to 64-bit Windows versions and this has created a problem where the game is not compatible with some older AMD and NVIDIA graphic cards. You can use the WINE version of the game but
